

If you love Rock & Roll,  
you should be listening to...

*Irrelevant*

# The Rock & Roll & Music Show

An online audio music magazine

*Dedicated to the preservation  
of the endangered species  
known as... 'the album'*

Hosted by  
DJ Krafty & J Hoskins

## What's playing in October...

Oct 3rd

### The Branches of Genesis, part 2

with co-host Dr. Prog.

Featuring: the words and music of former Genesis guitarists Steve Hackett and Anthony Phillips.

Oct 9th

### The Return of the Roots of Rock Show

with the return of Krafty.

Featuring: Black Country Communion, The Black Crowes, the Faces inspired tunes of Saint Jude, and a special tribute to the late great Gary Moore.

Oct 16th

### The Progressive Choice Cuts Show

with Dr. Prog. — J and Chris Ruddy look at the discs that gets their progressive juices humming and that have remained a fixture on their turntables for many many years.

Featuring: Riverside, FM, Tangerine Dream, Pink Floyd, Yes and later King Crimson.

Oct 28th

### The First Official Halloween Show

with singer/songwriter Nikki Benton.

Featuring: the Top 5 of music that really scares you, plus a spooky retroperspective of King Diamond, classics from Alice Cooper, a blast from the past from Cradle of Filth, horror movie theme music and lots more stuff to keep you up awake at night.

**WE KICK-OFF  
OUR 4TH  
SEASON!**

### Coming in November...

The Kind of Loud Show and The It's Alive Show, a concert-going primer from world traveller and concert devotee Tom Bruder.

All this, plus regular weekly updates on our blog, along with helpful hints about procuring the music we think you should hear. And were just getting started.

*Best from J Hoskins, Krafty  
and Chris the Prog Guy*

Exclusively on

**VirtuallyAudio.com**

*What have you been listening to... lately?*
